

The Koffler Ambassador Program

The Koffler Centre of the Arts is a Jewish cultural organization that presents a contemporary cross-disciplinary arts program encouraging inquiry and exploration. We promote an inter-cultural dialogue that engages our Jewish identity with diverse perspectives and global voices. We seek to contribute to the development of contemporary culture by pushing boundaries and supporting innovation across the arts, as well as foster public engagement with flexible programming that builds audiences.

We are seeking applications for the Koffler Ambassador Program. Koffler Ambassadors are volunteers who assist with various public programs and events. They help with event set up and clean up, as well as welcome guests and provide information. Successful ambassadors are enthusiastic, flexible, and able to work with the public to create welcoming and positive experiences.

Before working with visitors, Ambassadors will be given information about the Koffler's programming and will have duties assigned to them depending on the event.

Ambassador Benefits:

The Koffler Ambassadors will join a community of passionate people who provide valuable services to the Koffler Centre of the Arts and to the wider community by volunteering their time to make the Koffler's programming accessible and inviting to diverse audiences. Benefits also include:

- Opportunities to gain insider access to Koffler programming
- Opportunities to meet artists, curators, speakers and performers
- Insight into contemporary Canadian artistic practices
